**Subject:** Updated - R10 Deployment List for Gold King & Typhoon/Tropical Storm Responses (Includes the REOC Team Overseeing the Deployments)

Dennis et al.,

FYSA below – This list is an example of the work that is being produced by the REOC Team and RICT/RSC Leadership. The requests from HQ, R8, and R9 are changing by the hour, but the whole team is doing a great job evaluating each requested position to our in-house expertise, but also balancing the overall financial impact (travel) to Region 10 since each Region is taking on the financial burden of deployed staff.

If anyone has questions about the deployments, please feel free to contact Ann Williamson or me at any time. Calvin
